

## TWO MOSTE MIXERS/ RECRUITING RECEPTIONS Choose your night!

The 2007-2008 school year has started off with great success and our attendance has been tremendous. Unfortunately, there is only one school out of the five we serve that has been fully matched. This means we still need more women to become mentors this school year. The membership board's goal is to recruit 50 women by the end of December, ensuring that every 7th and 8th grade girl in the program is fully matched with a quality mentor.

We are looking for women interested in making a difference in a young girl's life. A woman who can show a young girl the world beyond her present circumstances. By becoming a mentor with MOSTE, you'll be able to give a young girl the precious gift of believing in herself and in a future where anything is possible.

Please join us on either Monday or Tuesday evening the first week of December. Choose a night that works best with your schedule. This will be a great opportunity to ask any questions you may have regarding the program as well as get to know other professional women who share the same interests.
